

# COMO

Textured wood-look slab door style featuring a thermally structured surface (TSS). Available in vertical or horizontal grain direction, doors have matching front and back with matching premium laser edge banding.

Five colors available:

Carbone

Castellina

Noce Daniella

Oregon Pine

Palissandro

# COMO SYNCHRO (SELECT)

Featuring similar material to the Como door, but with a more authentic texture that is synchronized with the wood grain pattern. Conveys a genuine wood appearance with a beautiful matte finish with matching premium laser edge banding. Back of doors have the same wood grain pattern, but without the texture.

Four colors available:

Legno D'argento

Nocciola

Noce Mascata

Portabello

# SOHO

High gloss UV lacquered with matching, slightly rounded, laser edge banding. Back of doors are matching matte melamine.

Eleven colors available:

Bright White

Warm White

Magnolia

Sahara

Quartz

Stone Grey

Carbon

Umber

Black

Red

Dark Olive
